

OSC Commands

Command	OSC Message	Description	Unit
FadeTime	/FadeTime %f	Change the images fading time (s)	float [0, 30]
FadeTimeMin	/FadeTimeMin %f	Change the images min fading time (s)	float [0, 30]
FadeTimeMax	/FadeTimeMax %f	Change the images max fading time (s)	float [0, 30]
Brightness	/Brightness %i	Changes the overall image brightness	int [0, 255]
Crossfading	/Crossfading %i	Crossfading or not	int [0, 1]
RandomImages	/RandomImages %i	Changes the random images mode	int [0, 1]
RandomFadeTime	/RandomFadeTime %i	Changes the random fade time mode	int [0, 1]
NoFade	/NoFade %i	Fading or not	int [0, 1]
NextImage	/NextImage 1	Triggers next Image	int 1
PreviousImage	/PreviousImage 1	Triggers previous Image	int 1
Save All Presets	/SaveAllPresets %i	Saves all the presets	1
Save Current Preset	/SaveCurrentPreset %i	Saves the current preset	1
Stop	/Stop %i	Stops the image triggering	int [0, 1]
Pause	/Pause %i	Pauses the image triggering	int [0, 1]
Low Freq Cut	/LowFreqCut %f	Change the low cut frequency from filter	float [0, 512]
High Freq Cut	/HighFreqCut %f	Change the high cut frequency from filter	float [0, 512]
Threshold	/Threshold %f	Change the audio threshold	float [0, 1]
DecayTime	/DecayTime %f	Change the threshold decay time (s)	float [0, 10]
SetNote	/SetNote %i %i	Sets on or off a certain note	int [0, 11] , int [0, 1]
SetPreset	/SetPreset %i	Sets a certain preset	int [1, -]
